FUTURES LEARNING INNOVATION TOUR
Primary tour of The Hills Principal Network

Join Futures Learning on an innovation tour of primary schools in The Hills Principal network.

This tour aims to share examples of exemplary practice in innovative learning and teaching in action across NSW public schools and to build communities of practice for schools to share knowledge, expertise and mentor connections for embedding innovative pedagogies in their schools. Teams of teachers will tour schools to observe innovative teaching and engage in a feedback session to hear about the implementation process and have the opportunity to ask questions.

TOUR INFORMATION

Date: Thursday 23rd March 2017

Cost: $100 per participant (includes minibus travel between schools, morning tea and lunch)

Who: All school leaders, school executive, classroom teachers

DETAILS

Starting at Quakers Hill Public School at 8:30am (please park in Quakers Court Shopping Centre, 76 Falmouth Rd Maryong) the tour will then proceed to Parklea Public School, and Kellyville Public School with drop off back at Quakers Hill Public School at 3:30.

Each school will offer participants the chance to observe students engaging in contemporary learning approaches across a variety of grades and key learning areas. They will have an opportunity to hear about the process undertaken to implement change across the school and ask questions about the practices they observed.

ENROLMENT DETAILS

Enrol via MyPL: NR13305
Please enrol asap as tours are limited to 20 participants in total
