Bankstown Early Career Teacher Network
Early Career Teacher Workshop

This workshop provides information about Accreditation and Maintenance for Early Career and pre-2004 teachers, mentors and supervisors. There will also be a PD session on implementation of the NSW English K-10 Syllabus integrating ICT.

Strategic Direction 1
High Quality Induction Program to the Department of Education and the Teaching Profession.

Strategic Direction 2
Executive and Mentor Teachers provide support and foster development of Early Career Teachers.

Strategic Direction 3
Early Career Teachers develop skills and evidence of effective practice for accreditation and maintenance.

Australian Professional Teaching Standards:

2.6.2 Use effective teaching strategies to integrate ICT into learning and teaching programs to make selected content relevant and meaningful.

6.2.2 Participate in learning to update knowledge and practice targeted to professional needs and school and/or system priorities

7.4.2 Participate in professional and community newtworks and forums to broaden knowledge and improve practice.

Workshop overview
The session will begin with Teacher Quality Advisor Rhelma Pardy presenting updates and current information about Accreditation at Proficient Teacher Procedures, Teaching Standards in Action and Department reforms.

Participants will also have the opportunity to attend one of three breakout sessions:
1. Pre-2004 teacher Accreditation
2. Maintenance of Accreditation
3. Steps to starting your Accreditation at Proficient Teacher

The workshop will conclude with a networking session focusing on use of digital technologies in English teaching and learning programs.

Anticipated Outcomes
Participants will:
• Review the Accreditation process and be updated about current requirements
• Participate in professional dialogue with experienced and beginning teachers
• Develop capacity to create effective lessons that use ICT to improve student learning outcomes
