Overview
This one-day professional learning course is designed to support a whole-school approach to literacy. The audience for this workshop is a nominated literacy leader. It is also recommended that each school sends a member of the senior executive.

The day will introduce five registered modules that literacy leaders are then able to facilitate at their school:

- Introduction to the Literacy continuum 7-10
- Unpacking a thread
- What does literacy look like in your KLA?
- Literacy and assessment
- Leading literacy in your school

Anticipated Outcomes Participants will:

- build their capacity to drive whole school programs to improve student literacy outcomes
- develop their understanding of data-driven, quality literacy teaching
- develop their capacity to build teacher knowledge, skills and confidence through professional learning
